Senior Guy | design template

10x10 album template (Set up for WHCC's 10x10 Layflat Album, though may be printed using other labs or altered to fit other sizes—just double check the bleeds and sizes)

15 PSD files in layers that include:

1 Custom Album Cover Design

14 Spreads (only 10 required for one full album, so you get 4 extra to choose from)

Clipping Masks (for frames/photos) are included

Elements included for Class of 2011, 2012 AND 2013

Editable Text Layers (**Note:** not all quotes are editable; fonts not included)

Code for Label Colors inside each file:

Yellow | these layers show the bleed and our watermark, delete these layers before printing

Red | where you can insert your own JPEG images into the frames

Orange | colors that can be easily edited to a different hue/saturation

Green | editable text; fonts are not included, though the name of each font used is given;

NOTE: not all quotes on every page are editable

Blue | elements included for Class of 2011, 2012 AND 2013

Only requires minimal Photoshop knowledge to create your own custom-designed senior photo albums! Please email davidbunk@r2rcompany.com with any questions or call our studio at 901.746.9381.

terms of use | design template

By purchasing Real 2 Reel's designs, you are agreeing to the stated Terms of Use:

Limited Commercial and Personal Use only. Absolutely no sharing, selling or taking bits and pieces and reselling. Taking a frame and changing the color and selling it—is **NOT** permitted. You may use these designs as a Professional Photographer to sell finished products—(Cards, Announcements, Albums, Image Boxes, Canvases, etc.)—to your clients with **YOUR** images as jpegs. The final product must be flattened as a JPEG.

*We **DO NOT** sell to Card Making Companies large or small. We **DO NOT** sell to Template Designers. Web designers, you may not use these products and designs for commercial use. Digital scrapbookers, you may **NOT** take these templates and designs and resell them in part or in whole in the scrapbooking market. By purchasing Real 2 Reel's designs, you agree to these Terms of Use.

The fine print: Templates are to be used by photographers for personal or professional use. Do not resell these templates as your own....(that's called stealing.) Also, do not take bits and pieces of Real 2 Reel's product and try to make it your own and resell—(again, stealing.) And one more, templates are not to be shared—(again—stealing.) Thank you for your integrity!

Please respect Real 2 Reel's terms of use and our work.

thank you,
